

## BALLOT CHARGES BY SOCIALISTS TO BE INVESTIGATED

Entire Election Board of District Summoned Before Grand Jury.

District Attorney Swann to-day directed Assistant Kilroe to take the entire Election Board of the 23d Election District, 18th Assembly District, before the Grand Jury on Monday, to be questioned on the complaint of Julius Gerber, Executive Secretary of the Socialist Party, that Jay L. Hoffman, Chairman of the Board, refused to permit Socialist women to register. In affidavits several women charge that Hoffman demanded their marriage certificates, refused to accept them if they were in Jewish, and in some cases caused them to be elected by policemen. He also charged that Hoffman erased names from the register.

The members of the Board to go before the Grand Jury are Jack Miller, No. 126 East 113th Street; Anna M. Brady, No. 1820 Lexington Avenue; Carrie Connors, No. 127 East 112th Street; America Mannerino, No. 109 East 114th Street; and Hoffman, No. 329 East 108th Street. The affidavits describe the Board members as "dummies" taking orders from Hoffman.

Hoffman denied violating any law. He admitted erasing names from the register, but said they were of persons not entitled to vote. In reply to the charge that he does not live in the district, he gave his address as No. 129 East 110th Street. Isidor Seligman, a watcher, swore in an affidavit that he was arrested on Hoffman's orders, accused of disorderly conduct, and was discharged by Magistrate Simms. Another affidavit charges that the signer's husband was thrown into the street because he insisted she had a right to register. In this affidavit Hoffman is quoted as having said: "I don't believe she is your wife. She may be the wife of a laundryman."

In a letter to Attorney General

Palmer, made public to-day, of giving ballots by parties and then causing the lights in polling places to be turned off the plotters will be enabled to destroy the ballots, as he to the courts and local authorities claims Socialist ballots have been destroyed at past elections. Appeals he declared.

regardless  
of profit or cost!!

Why are we taking these tremendous losses?  
Here's the answer:

First: To help in our small way to reduce the cost of good clothes to where it belongs.

Second: We believe clothing will be lower next season and we want to start with clear decks when readjustment begins.
